

Associate in Nursing Prerequisite Checklist

Use this form to track your progress as you prepare to apply to the WVC Nursing program. This form is for your records only and **does not replace the program application**. More information can be found online (www.wvc.edu/alliedhealth).

To be eligible for admission consideration

- Cumulative GPA of 2.5 or higher.
- Complete all prerequisites with a C (2.0) or higher.
- View an Allied Health Information Session (www.wvc.edu/alliedhealth).
- Achieve the required minimum subject scores for the Test of Essential Academic Skills (www.wvc.edu/teas).
- You must be 18 years of age or older by the start of the program.
- Proof of completion of a nursing assistant training course or a current WA state NA-C License (www.wvc.edu/cna).

Prerequisites

Check course descriptions because some courses have prerequisites (see second page for a sequencing chart). Start by taking the courses you placed into. If you are a transfer student, talk to a College Navigator to determine which courses to take first (email edplanning@wvc.edu).

- CHEM& 121 Intro to Chemistry (5 credits)
- BIOL& 211 Majors Cellular (5 credits)
- BIOL& 241 Human Anatomy & Physiology 1 with lab (5 credits)
- BIOL& 242 Human Anatomy & Physiology 2 with lab (5 credits)
- BIOL& 260 Microbiology with lab (5 credits)
- ENGL& 101 Composition: General (5 credits)
- MATH& 146 Introduction to Statistics (5 credits)
- PSYC& 100 General Psychology (5 credits)
- PSYC& 200 Lifespan Psychology (5 credits)

Corequisites

These courses can be completed after applying to the Nursing program but try to complete these as early as possible.

- Communication Course (5 credits)
 - Choose from ENGL 201, 202, 203 or ENGL& 235
- Humanities Courses (10 credits)
 - Choose two 5-credit courses from the Humanities Distribution. Subject areas usually include American Indian Indigenous Studies, Art, Chicano Studies, Communications, Drama, English, Humanities, Journalism, Music, Philosophy, Theater Arts, and World Languages. But you need to verify a class will meet this requirement by checking the Class Attribute section in the online ctcLink Class Search.
 - These can be from the same subject area. For example, two Spanish classes would satisfy the requirement.

Nursing Prerequisite & Corequisite Sequencing

The classes shown below must be taken in a specific order. Start by taking the classes you placed into. If you have earned credits from another college or university, request an Official Credit Evaluation, and meet with a College Navigator to determine your next steps.

English Sequence

Math and Chemistry Sequence

Biology Sequence

Psychology Sequence
