RE: CTE Dual Credit Consortium Memorandum of Agreement for years _____.

This notice confirms that the school district listed above has elected not to participate in Wenatchee Valley College's Career and Technical Education (CTE) Program.

Both parties acknowledge that this decision terminates the existing Memorandum of Agreement (MOA). Accordingly, CTE courses and associated credits will no longer be available to students beginning 90 days from the date of this notice.

As outlined in the MOA, billing invoices are issued annually, typically in March. It is the responsibility of the CTE Director at the High School to remain informed of all deadlines established by Wenatchee Valley College.

Should the School District/High School wish to offer CTE courses in the future, it is their responsibility to initiate communication with the CTE Consortium to discuss rearticulation.
