

# Part-Time Faculty Positions

## Math & Sciences

We have immediate needs for instructors in the following areas (Wenatchee campus unless otherwise noted):

- **Nothing at this time**

We are looking for enthusiastic teachers who set high expectations but are eager to help students meet those expectations. Interested applicants must also have a master's degree in the field\* (or in a directly-related field). Experience teaching at the college level—particularly at the community college level—is preferred. Your cover letter should directly address the ways in which you meet these qualifications and expectations.

\* BA plus 24 graduate credit hours in subject may be accepted.

If interested, please send your **resume**, a **cover letter** and copies of your **transcripts** (unofficial are fine) to (application will be completed upon hire):

Jeff Bullock  
Dean of Math & Sciences  
Wenatchee Valley College  
1300 Fifth Street  
Wenatchee WA 98801

Or e-mail materials to Jeff Bullockor [jbullock@wvc.edu](mailto:jbullock@wvc.edu)

## English, Arts, Humanities

- **Nothing at this time**

We are looking for enthusiastic teachers who set high expectations but are eager to help students meet those expectations. Interested applicants must also have a master's degree in the field\* (or in a directly-related field). Experience teaching at the college level—particularly at the community college level—is preferred. Your cover letter should directly address the ways in which you meet these qualifications and expectations.

\* BA plus 24 graduate credit hours in subject may be accepted.

If interested, please send your **resume**, a **cover letter** and copies of your **transcripts** (unofficial are fine) to (application will be completed upon hire):

Andrew Hersh-Tudor
