- Commencement Speaker -

ROCÍO CARRIÓN

Rocío's purpose in life is to inspire. She has been in this country since age six, with roots from México and Nicaragua. Rocío is pursuing a masters degree in Education Leadership, Organizations, and Entrepreneurship at the Harvard Graduate School of Education this fall. She graduated from the University of Washington with a B.A. in Sociology in 2010. She is the Executive Director and Co-Founder of I AM Empowerment LLC, a transformational leadership organization. As an undocumented Latinx womxn of color, Rocío has learned to embrace every challenge, leading her to a life of resiliency and fulfillment. Un consejo que les deja es, "No esperes un segundo más. Pon tus ideas y metas en acción. Tienes que empezar en un lugar, y nunca vas a llegar a tu destino si nunca comienzas tu camino."

Outstanding Graduates

Outstanding graduates from the three major academic divisions of liberal arts and sciences, workforce education and allied health are nominated by faculty and chosen based on exemplary character, attitude, attendance, proficiency level, personal development and leadership.

High School+

High School+ allows adult learners 21 and older to earn a high school diploma. This new program gives credits toward a diploma for prior work and life experience, in addition to academic assignments to complete credit requirements.

Transforming Lives

The Washington State Association of College Trustees (ACT) created the Transforming Lives Awards program in 2012 to recognize current or former students whose lives have been transformed by pursuing higher education at a community or technical college.

All-Washington

The All-Washington Academic team program recognizes and honors two-year college students for their scholastic achievement and community and college service. It is sponsored by the Washington Association of Community and Technical Colleges, the TACTC, the State Board for Community and Technical Colleges and Phi Theta Kappa.
